

# 2022-2023 Online Application & Enrollment

## Admissions open April 1st!

We are excited to announce we will be opening our application and enrollment season for the 2022-2023 school year on April 1st! Once again this enrollment will take place entirely online. ALL of our families, returning and new, will complete enrollment through FACTS. Families will begin on our website and be taken to FACTS SIS for online application or enrollment, and then finish in FACTS with a finalized tuition agreement.

FACTS is the company that handles tuition management for our school and our families. We have partnered with them for many years now. With them, we will continue to manage tuition payment plans, grant and aid applications and awards. Every family has an account with them and they provide flexible options to meet everyone's needs.

FACTS SIS provides our school with our grade book, lunch service accounting, attendance and other important demographic information. These two systems work together seamlessly and increase efficiency and productivity for our front office.

Parents will have one login to FACTS SIS Family Portal that will show them up-to-date information about academic progress as well as lunch and tuition billing information. The school calendar and school directory may also be utilized. All family volunteer hours are recorded here in the Family Portal.

## KEY DATES

### April 1st:

Application and enrollment begins

Second child (15% Discount) \$3,975

Third child (30% Discount) \$3,270

Four + children (100% Discount no additional charge)

---

Student insurance & materials fee \$150

---

REGISTRATION  
PRIORITY

This year it's extremely important to get registered in a timely manner. As our school grows and enrollment increases, returning students will have first priority as long as you secure your seat by April 15th. After this date we will start filling our classrooms with new students from the parish and public. The waiting lists are growing so be sure to secure your child's spot as soon as enrollment opens! If you have any questions please reach out to the office.

## Financial Aid Available

Scholarships are available (based on financial need) and can be applied for following the link on our website and completing the FACTS Grant & Aid Application. Due April 30th.

Also available to qualifying families are outside scholarships. One great opportunity for all qualified families is through ACE scholarships. Applications due April 30th.

St. Mary's participates in the USDA free/reduced lunch program.

Please speak to the front office if you need more information about these programs.

## Important Deadlines

### April 15

Deadline for returning families to hold child's place in classroom. Secure with paid online registration fee.

### September 1

Deadline for paid in full tuition to receive discount of \$100

### April 30

Deadline to submit Grant/Aid Applications and ACE Scholarship Applications
